

To Our Players and Fans:

The members of the Copper Country Old Timers Hockey League would like to extend a gracious welcome to all players and fans participating in this, our 36th Annual Old Timers Hockey Tournament. A special thanks goes out to our major sponsor **Baraga Telephone Company**.

This year's tournament will consist of ten divisions within seven classes (21+ Elite, 30+ Gold, 30+ Silver, 40+ Copper, 50+ Legends, 60+ Masters, and Womens). All classes will battle for 1st place t-shirts.

We would like to extend a special thanks to those Copper Country merchants who have contributed to the success of this year's tournament by purchasing ad space in this booklet. Please keep them in mind as you are shopping in the area now and throughout the year. We would like to thank the many individuals who have contributed to the success of this and past tournaments.

Thanks to all teams that are participating in this year's tournament. We understand the time and effort it takes just to be here. We wish each and everyone of you good luck, good sportsmanship and plenty of brotherhood and goodwill.

In Memory of Thatcher Markham

On the morning of June 17, the downstairs wall on our house collapsed from a mudslide from the terrible Fathers Day Flood. Thatcher was buried in the collapse. We were able to dig him out, but not quick enough, and emergency vehicles couldn't get to us, as all the roads were washed out. With the help of our great First Responders, we transported him to the Hancock side in a boat, where an ambulance could finally get him to the hospital. They were able to finally get a pulse, and after waiting for the County Airport to clear the runway, he was air lifted to U of M hospital. He never regained consciousness, and late in the day of June 18, we lost our beloved son.

Thatcher was born on Nov. 12, 2005. Our first born. From the beginning, he loved hockey. He would love to pick up any stick laying around the house and ask anyone around to play with him. He would go to watch any hockey game, and actually sit and watch the whole game, never wanting to go run around the stands as most kids do.

He started out in developing mites and mites as a defenseman, and part time goalie. Like his father, he was never a gifted skater or had a great shot. But unlike his father, he was a smart hockey player. He always knew where to go on the ice or who to pass the puck to. As the years went on, he just wanted to be a goalie, to be just like his older cousins and win a high school state championship and make it on to the Michigan Tech Hockey team. He would watch hockey videos on Youtube for hours and hours, until we would make him shut the computer off and go to bed.

He had a blast being a goalie. Win or lose, he liked the games where he would get 35-45 shots on him. He loved saving the puck. He would try to get anyone from an adult to his 4 year old sister to shoot on him at home playing mini sticks, usually grabbing the smallest net he could or the biggest pads to make his job easier. He also loved just being in the locker room and hanging out with his teammates.

As a Squirt, his team was able to go downstate and win the State Championship with only 8 skaters and Thatcher as the goalie. He was beaming with pride to show off his Championship medal to anyone that came over to our house for many weeks afterward.

He also had one year under his belt as a referee, anything to get on the ice. He would constantly ask one of us to take him to the Oscar Dome, or to let him play in a rental at the Dee after his regular practice. He would shovel the snow off the ice on the canal when the conditions would let him, and skate for hours with his brother and cousins.

This weekend is a tough one for us. Just last year, Thatcher came to watch his dad play in this very tournament. With his mischievous grin, he would make fun of his dad for missing a shot, falling down, or just being too slow.

We would like to thank everyone for their support during this extremely difficult time in our lives. Thank you to the Copper Country Oldtimers for honoring our son, it means a great deal to us!

— Rodney, Joanne, Drake, Sawyer, Grace and Penn Markham

Staying fit in frigid temps.

Here's how to stay safe and sound
when you head outside for exercise.

Be easy to see. Wear multiple pieces of reflective clothing and lights if heading outdoors in the early morning or late afternoon.

Ditch cotton for wool. Wool socks insulate even when wet – thanks to pockets in the fiber that trap warm air.

Start against the wind. Finish with the wind at your back to avoid icy blasts once you've worked up a sweat.

Under 20 below. No amount of layering can fully protect you. Best to stay inside or hit the gym.

Copper Country OLDTimers

36th Annual Hockey Tournament

Rules and Regulations

OURHAUS Senior Non-Checking Rules will be in effect for the tournament play with the following exceptions or reiterations:

1. All players in Elite Class must be 21 years of age by the first game.
2. All players in Gold & Silver must be 30 years of age (Goalies 21); 40+ Copper are 40 years of age (Goalies 25); 50+ Legends are 50 years of age (Goalies 35) by the first game; 60+ Masters are 59+ years of age (Goalies 40) during the current calendar year. Women's Class players must be 18 years of age by first game. Automatic team disqualification from the tournament if underage players are used.
3. No player shall be eligible to play for more than one team. If a player violates this rule, the team for which he plays after participating with another will be disqualified from tourney play. Those eligible for, and playing in, the 60+ Masters Class may also play on one additional team in another class.
4. Players in all classes must participate in at least one qualifying game in order to be eligible to play in a championship game.
5. No checking - 3 minute minor (or more at the referee's discretion.)
6. All other minor penalties are 3 minutes.
7. No slap shots. The blade of the stick must remain below the waist. Violation results in a offending team's defensive zone faceoff.
8. Excessive verbal abuse of officials will result in the following: 3 minute unsportsmanlike conduct penalty, if abuse persists, additional 10 minute misconduct, if abuse continues further, game or tourney disqualification.
9. No fighting - automatic tournament ejection, also third man rule in OURHAUS will apply (no exceptions).
10. There will be no tie games. In the event of a tie game a 3 man shoot out will decide the game. (Coin flip winner has the option to shoot first or second and teams alternate shooters) If a tie still exists after all 3 players have shot, then each team will alternate different players until a winner is decided. No player may repeat in the shootout until all players (goalies excepted) have gone. Players serving penalties at the end of regulation are ineligible to participate in the shootout.
21+ Final Exception: The 21+ (Elite) Final will be decided by sudden death overtime
11. In the event of a tie for class standing OURHAUS rules will be used to determine order. For example: 1st - Goals scored minus goals against for all games. (***Shootout victory counts as 1 extra goal for and goal against only***); 2nd - Most goals for; 3rd - Head to head.
12. For All Classes, a game will be three running time periods of 18 minutes with a one-minute timeout between periods. Stop time will be used in the last minute of play of the first and second periods, and in the last minute of play of the third period if the score is within two goals. All tournament games will follow this format.
13. Five minute warm-up after the Zamboni doors are closed.

Helmets must be used and face masks are strongly recommended by the tournament committee. ***All players participate at their own risk!***

Players may need to provide photo I.D. if asked
