

It is with deep regret that the Copper Country Oldtimers announce the cancelation of their 37th Annual Oldtimers Tournament scheduled for next weekend March 19-22, 2020. Given the overwhelming precedence set by the NCAA, NHL, MLB, NBA, and other major sponsors of performances, competitions, and gatherings, and in accordance with the directives and guidelines of local, State, and Federal Health Authorities, we feel that it is in the best interest of our players, fans, visitors, and community members to cancel this year's edition of our beloved tournament.
